RE: Amended July Monthly Report (06/01/2012 – 06/30/2012), Received 02/20/2013

Dear Mr. Vuong:

We have been retained to represent ActRight and also provide reporting and recordkeeping services for the committee. Please accept this response and explanation on behalf of the committee to the Request for Additional Information dated May 14, 2013, in reference to the 2012 July Monthly Report. Amendments have been filed and explanations are hereby provided for the following two items:

1. “Your report discloses the apparent disbursement of earmarked contributions outside the permissible time period.” We have identified the error resulting in these apparently unauthorized disbursements and have filed an amended July Monthly report on May 14, 2013.

Schedule A for the July Monthly report as originally submitted was incorrect. While assembling the report, a mix up occurred while sorting our .csv file so that the date column was misarranged. The Schedule A has been corrected and an amended report filed that should correct all these errors. All contributions were passed on within the 10-day time period.

2. “Schedule A of your report discloses earmarked contributions totaling \$4,559.34, with no corresponding entries on Schedule B.”

The 2012 July Monthly Schedule A includes all contributions received June 1-30, 2012. The 2012 July Monthly Schedule B, however, includes all contributions passed on June 1-30, 2012. The contributions received during the period June 28-30, 2012, were not passed on until July 5, 2012. Therefore, they are on the July Monthly Schedule A, but appear on the August Monthly Schedule B. This explains the apparent discrepancy and therefore no amendment is necessary.

3. "Schedule B of your report discloses earmarked contributions totaling \$29,181.75, with no corresponding entries on Schedule A."

This apparent discrepancy can be explained by the responses to points 1 & 2 above.

If you have any questions, please contact me at 202-683-9405. Thank you.

Sincerely,
